proofs or citations from authoritative or any sources to substantiate his ideas.

The author, in writing the book, purposely avoided the treatment of controversial questions. However, in stating controversial facts, authoritative sources were relied upon. All statements are supported by excellent quotations of an authoritative character.

Perhaps more accurate an estimate was given to the book in question by Professor Manuel Rodriguez Serra: "It is clearly apparent that Dr. von Redlich's book is characterized by painstaking and scholarly research, a judicial attitude and, as it is evident, by soundness of judgment."

MARCELLUS DONALD A. R. VON REDLICH.
